Area Variance Continued

1. Explain how no undesirable change will be produced in the character of the neighborhood; nor a detriment to nearby properties created by granting the area variance.

We do not meet the 20' setback for pool. Best spot for flat area.

2. Explain why the benefit sought by the applicant cannot be achieved by some method, feasible for the applicant to pursue, other than an Area Variance.

Existing lot (home owners/Applicant) is mostly sloped. Variance will allow for minimal excavation for pool placement.

3. Describe whether the requested Area Variance is substantial.

5' setback vs 20' setback (

4. Explain how the proposed variance will not have an adverse effect on the physical or environmental conditions in the neighborhood or district.

This variance will not alter the physical environment.

5. Explain whether difficulty is self-created. (Consideration is relevant, but should not necessarily preclude the granting of the Area Variance.)

The existing yard has a steep slope. We will avoid this slope & place pool on level ground.

For Use Variance Applications, please complete the following:

Describe the request use: _____

1. Explain why the application cannot realize a reasonable return without the Use Variance, as demonstrated by the content financial evidence.

2. Explain how the alleged hardship relating to the property is unique, and does not apply to a substantial portion of the neighborhood.

3. Describe why granting the requested use variance will not alter the essential character of the neighborhood.

Explain whether the alleged hardships have been self- created.

Describe in Detail your request:

Explain why granting the request is consistent with the public health, safety, and general welfare of the community, including the public or commercial inconvenience of the applicant.

For **Home Occupation Request**, please see Town of North Greenbush Code Sections 197-3 and 197-24

For **Earthwork Permit**, Please see Town of North Greenbush Code Section 197-30
